ALL-COUNTY LETTER NO. 79-64 (STATISTICAL SERVICES)

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: ANNUAL REPORT ON PUBLIC WELFARE EMPLOYEES STAFF TRAINING (GEN 826)

## REFERENCE:

The annual report on Public Welfare Employees Staff Training (GEN 826), due each year on or before October 31, will not be required for the Fiscal Year 1979. The information on the GEN 826 has been used exclusively for a federal report which is now obsolete.

The replacement form is to be issued to the States from the Department of Health, Education and Welfare (DHEW) in December, 1979. We do not expect to have information on the requirements of the new form before that time.

The responsibility for the follow-up on the new reporting requirements rests with the Statistical Services Bureau. Bureau staff can be reached at (916) 322-5462 or (ATSS) 492-5462.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Claude E. Finn'.
